FROM THE ADMINISTRATOR

Hello from Beaver Lake Camp,

Here at camp, winter is slowly giving way to spring. Large snow banks are shrinking, and the ice rink is turning into puddles. All are sure signs that summer is on its way. “Summer” around here not only refers to the season, but also to Summer Camps and the Family Empowerment Forum and Gospel Sing.

This is your invitation to join us and bring your kids and/or grandkids. We hope summer camp can be fun for the whole family. Highlights for many are the camp activities like tractor rides, swimming, tub rides, and the escape room. Others like the crafts and campfires. Others enjoy the evening chapel services with songs and puppets for the kids (and adults), worship, and preaching.

I want to say thank you to the families that have come the last couple summers and helped to make it a good time for everyone. Also, I want to thank the Indigenous pastors who have joined us each week and shared God’s Word and encouraged us on our journey. I want to thank the summer volunteer staff who make these large events possible.

We have been blessed to see the summer events growing over the last couple years and we are looking forward to another good summer. We would love to have you and your family join us.
